

STUDENT SERVICES

Career Services

Career Services provides a spectrum of services to assist students and alumni explore career options and obtain information to make well-informed decisions regarding majors, job preparation and job location. Professional staff members work with students and alumni to plan their careers and locate work-related opportunities through several programs.

Career Exploration and Planning

- **Career Counseling:** Confidential career counseling is provided on an individual basis for more in-depth career exploration. Assessments are often used to assist in identifying interest, abilities, and values - essential in choosing a satisfying major or career. These assessments may include a computerized questionnaire, the Myers Brigg Type Indicator (MBTI) personality type inventory, or Strong Interest Inventory (SII).
- **Career Fairs:** Held on a semester basis, these fairs provide current job, internship, graduate school information, and networking opportunities.
- **Career Resources:** Career exploration materials housed in the Career Resource Center include books, magazines, brochures, and videos. Many feature information about occupational characteristics, duties, salaries, and working conditions. Free magazines and handouts focusing on the job preparation process are also available.

Job Search Services

Career Services coordinates job preparation and programs intended to connect students and alumni with employers. Some of these services include:

- **Job Fairs:** The career fairs provide an opportunity to interact with prospective employers. These events enable participants to talk directly with representatives of corporations, non-profit agencies, federal and state agencies, government, school districts, volunteer organizations, graduate schools among others.
- **Job Vacancy Notices:** Current job openings are advertised via online job database, and are categorized by on-campus, part-time, full-time and internship opportunities for local, statewide, nationwide, and global opportunities.
- **On-Campus Recruitment:** Allows qualified students an opportunity to interview with companies, agencies, and school districts which recruit on campus throughout the year. Students and alumni may access company information and interview dates.
- **Resume Critiques:** Professional staff provide objective feedback and helpful suggestions to assist students and alumni in composing a high-quality resume that highlight your marketable skill sets.
- **Mock Interviews:** Perfect your interviewing skills for phone, panel, and virtual interviews through mock interviews. Receive feedback on your poise, level of confidence and responses.
- **Workshops:** Throughout the semester, these sessions aid students in writing cover letters, resumes, preparing for an interview, dressing for success and personal branding.
- **Online Prep Courses and Trainings:** Gain access to information on preparing for graduate programs such as practice admission exams, typing tests, and other resources.
- **Career Closet:** Select and borrow garments from a variety of professional attire for interviews, presentations, and other professional functions.

All Texas A&M International students and alumni, regardless of graduation date, are encouraged to access the services and programs offered by the Office of Career Services, Student Center Room 114, (956) 326-4473.

Continuing Education

Education is a lifelong learning process. TAMU's Continuing Education Department facilitates educational activities provided by our programs that bring high-quality technical education to individual learners and organizations. The Office of Continuing Education and Extended Learning makes the educational resources of Texas A&M International University available for non-credit education programs and conferences designed to promote lifelong learning, regardless of age, interest, or location. Our programs fall into six general categories: Professional Development, Professional Certification Programs, Certificate Programs, Personal Enrichment, Summer Youth Programs, and Conferences. We also build courses to fit the needs of your company. We partner with academic courses to offer the community the opportunity to attend University classes as a non-credit participant. We also partner with the Texas Workforce Commission to offer opportunities to attain a Certificate to enhance a person's job potential.

It is critical that professionals stay up to date on new and emerging technologies in their respective fields to enhance their credentials. Our department utilizes our top-notch faculty and industry experts to deliver superior knowledge and practical application scenarios to its professional development and continuing education experiences. Your success plan can be customized to deliver short courses, workshops, or conferences. Our online professional courses can be accessed through open enrollment and customized to one's pace of learning. Enroll now and own your "success!" Whether through face-to-face, online, or blended methods, the Office of Continuing Education is ready to deliver short courses, online certifications, workshops, and conferences.

CERTIFIED PUBLIC MANAGER PROGRAM

The Office of Continuing Education offers the Certified Public Manager Program upon request. The Certified Public Manager® designation is awarded to public sector middle managers who have completed the required 300 hours of study through a CPM program accredited by the National Certified Public Manager® Consortium. CPM programs are sponsored and operated by a public sector agency or university in a state or other political jurisdiction.

The Certified Public Manager® program is a nationally accredited comprehensive management development program open to managers in federal, state, and local government agencies. Some states also open enrollments to non-profit organizations. The program's primary goal is to improve the performance of public sector managers and the organizational performance of state, local and federal governments.

The program is a comprehensive course of study by which public managers can acquire and apply best practices and theory to their management behaviors and strategies using prescribed sets of professional competencies. The curriculum uses theory as the foundation and applies it to practical problems facing the participant, their agency/department, and the citizens.

The CPM Program is a series of seven tracks, or courses, designed to enhance the skills, knowledge, and abilities of public and nonprofit managers. Students may sign up for individual courses or for the entire program. Courses can be completed in any order. CPM Programs are currently offered in Arlington, Austin/Round Rock, Edinburg, Houston, McAllen, Midland/Odessa, Laredo, Nacogdoches, and San Marcos.

DUSTY'S JUNIOR UNIVERSITY SUMMER PROGRAM

The Office of Continuing Education offers a summer camp for children from Kinder to 5th Grade. Our camp provides a child the opportunity to continue learning through our innovative summer camp. They will get to experience a little of University Life by attending classes on campus and eating lunch at the food court. Exposing children to the University atmosphere at an early age can truly impact their future goals and even success.

EDUCATIONAL CAMPS FOR ELEMENTARY, MIDDLE, AND HIGH SCHOOL STUDENTS

The Office of Continuing Education offers educational learning camps for students to enhance their learning potential. Educational camps come in many different forms. A wide range of these specialty camps are aimed at teaching children in a specific area. This is more like an alternative classroom—sometimes without walls—that helps children advance an educational interest or skill. Prep classes are offered for students taking the SAT, ACT and TSI.

ENRICHMENT COURSES

The Office of Continuing Education offers life-long learning courses for personal enrichment. These range from painting, ceramics, foreign language, writing, healthcare, exercise, cooking and more.

ADVANCED PLACEMENT SUMMER INSTITUTE

Each summer Texas A&M International University Office of Continuing Education hosts the College Board Advanced Placement Summer Institute for those teachers seeking to become AP certified or to learn innovative best practices, explore research-based strategies, or increase course knowledge.

MILITARY SPOUSE CAREER ADVANCEMENT ACCOUNTS

TAMIU Office of Continuing Education is honored to be working with the Department of Defense's expanded Military Spouse Career Advancement Accounts (MyCAA) program to provide medical, business, technical, and legal online training at no cost to the spouses of our military who work hard daily to protect our country. The Office of Continuing Education believes that military spouses deserve a high-quality education that leads to an in-demand career – a career that's portable, so relocation never gets in the way of reaching their goals.

Texas Center for Border Economic and Enterprise Development

The Texas A&M International University (TAMIU) A.R. Sanchez, Jr. School of Business (ARSSB) Texas Center for Border Economic and Enterprise Development (TCBEED) is a premier thought leader and research hub for cross-border trade and transportation innovation along the Texas-Mexico border. Through cutting-edge research, strategic partnerships, and community engagement, the Center provides leadership and support to Texas border communities in their socio-economic development efforts, which encompass business, education, health care, public administration, and environmental sustainability.

The TCBEED hosts and leads the Texas A&M International University Logistechs Living Lab, an innovation and research initiative that harnesses artificial intelligence, Internet of Things (IoT) sensors, and advanced analytics to enhance cross-border trade and transportation efficiency. The Lab serves as a catalyst for technological innovation and knowledge transfer in the border region.

Guided by its Advisory Council, which includes leaders from the logistics, international trade, transportation, and academia, the Center builds vital bridges between university research and industry needs. The Council provides strategic direction and ensures the Center's initiatives remain aligned with regional development goals and emerging industry trends.

Selected activities of the TCBEED include:

- Develop and maintain comprehensive socio-economic databases and produce high-impact research reports on border economics, trade patterns, and regional development indicators that inform policy and business decisions.
- Foster community engagement through international conferences, workshops, and collaborative events that bring together academic, industry, and government stakeholders to address border region challenges and opportunities.
- Provide specialized technical assistance and consulting services to researchers, students, and border region businesses, promoting innovation and entrepreneurship in the binational economy.
- Generate and analyze key regional indicators, including international bridge crossing data, to support evidence-based planning and decision-making for border infrastructure and economic development.
- Facilitate strategic partnerships among academic institutions, industry leaders, and government agencies to create a unified approach to border prosperity and sustainable development.
