Texas A&M International University 2019-2020 Catalog

A. R. SANCHEZ, JR., SCHOOL OF BUSINESS

General Information

ACCRREDITATION
The undergraduate programs in the A. R. Sanchez, Jr. School of Business are accredited by AACSB International - The Association to Advance Collegiate Schools of Business.

VISION
The A. R. Sanchez, Jr. School of Business aspires to be a premier regional international institution that delivers excellence in education in a multicultural setting; high quality research; and engages with business and governmental leaders to address important regional and global economic issues.

MISSION
The mission of the A. R. Sanchez, Jr. School of Business is to provide accessible superior academic programs and research from a multicultural and international perspective that enables our students to become successful professionals.

CORE VALUES
Value Driven. Inspired by our cultural and organizational values, including integrity, diversity and collegiality.

Academic Excellence. High quality academic and innovative programs, research, teaching, and service.

Leadership. Influencing and engaging with people and organizations to be agents of change and impact in the betterment of others.

Openness. Transparency in all decision-making processes and in all dealings with our stakeholders.

Respect. Acknowledging and valuing the qualities, thoughts, and opinions of others.

General Requirements for Undergraduate Degrees

See Academic Regulations - Undergraduate for TAMU regulations. Specific academic regulations for the A. R. Sanchez, Jr. School of Business are as follows:

1. Character of Undergraduate Work: A candidate for the degree of Bachelor of Business Administration will be required to complete courses listed under the requirements for the major/concentration of his/her choice. Written and oral communications are important components of each course. A minimum of 50% of both the business SCH and the major/concentration SCH must be taken at TAMU.

2. Grades Required: To be in good standing, a student must have a satisfactory grade-point average on his/her cumulative record as well as on his/her current semester or term record. For a student with 60 hours or more of work passed at the beginning of a semester or term, the minimum cumulative, or overall, grade point average for good standing is 2.0 (C).

3. S/U (Satisfactory/Unsatisfactory): This grade can be given for only predesignated courses and may be used to satisfy degree requirements (e.g., business internships). For undergraduate students, a grade of "S" indicates achievement of 70 percent or greater for the course requirements. This grading criteria applies only to courses in the A. R. Sanchez, Jr. School of Business.

4. Correspondence Work: In no case will courses taken by correspondence be accepted for undergraduate credit.

5. Workload Regulations: The maximum number of semester credit hours (SCH) that an undergraduate student can take is:

<table>
<thead>
<tr>
<th>Regular semester</th>
<th>18 SCH</th>
</tr>
</thead>
<tbody>
<tr>
<td>Each summer session</td>
<td>7 SCH</td>
</tr>
</tbody>
</table>

Any SCH load in excess of the above must be approved by the Dean of the A.R. Sanchez Jr. School of Business.

6. Independent Study: Independent study courses are limited to students in their final two semesters and may be given under exceptional circumstances. These courses must be approved by the Professor, Division Chair and Dean of the A. R. Sanchez, Jr. School of Business.

7. Advanced Credit/Junior Standing: To obtain advanced credit in Business Administration, a student must have junior standing in Business Administration which is defined as 60 hours of credit which should include six hours each of Introduction to Accounting and Principles of Economics and three hours each of Business Statistics, Professional Written Communications and Fundamentals of Speech.

The following courses make up the Core Curriculum, Communications, Business Foundation and Common Body of Knowledge for all Bachelor of Business Administration (BBA) degrees offered by the A. R. Sanchez, Jr. School of Business. These courses must be taken to complete the Bachelor of Business Administration degree.

Major Curriculum and Business Electives 30

Total Semester Credit Hours 120

Objectives by Area of Study

BBA with Major in Accounting
1. Prepare the student for an entry-level position as a professional accountant. Potential employers of accounting graduates include CPA firms, corporations (and other forms of business), and all levels of government;
2. Examine each of the fields within accounting as part of the student’s coursework; these fields include financial accounting, taxation, and accounting information systems; and
3. Provide selected accounting courses necessary for the Uniform CPA examination. (Note: Additional accounting coursework beyond a bachelor degree will be required to take the CPA examination.)

BBA with a Concentration in International Economics
1. Prepare students for productive careers in industry, government, consulting, and for work in graduate level studies, including banking, investments, and the financial services industries.
2. Develop a working knowledge of economic theories and their applications to business decision making in a global setting; and
3. Provide the analytical and quantitative skills necessary to understand, explain, and anticipate economic phenomena in a rapidly changing global environment.

BBA With a Concentration in Finance
1. Prepare the students for professional careers within the diversified and dynamic global financial environment;
2. Develop a working knowledge of the many technological, commercial and institutional forces that influence organizations operating in the global business environment and financial markets; and
3. Provide the quantitative and analytical skills necessary to be competitive in this rapidly changing global environment.

BBA With a Major in Management Information Systems and Data Analytics
1. Develop knowledge of technological developments in the global business realm;
2. Provide skills to operate and manage computer-based information systems;
3. Impart technological skills in this evolving field for responding to social and economic developments in order to become creative and responsible leaders in business and society.
