Definition of A Student
The term “student” includes all persons who have been offered admission, and/or who are taking courses at the University, either full-time or part-time, pursuing undergraduate, graduate, or professional studies and who is either currently enrolled or was enrolled the previous semester and registered for a future semester. Persons who withdraw after allegedly violating the Student Conduct Code, or who are not officially enrolled for a particular term but who have a continuing relationship with the University are considered students. In addition, persons who are enrolled with the Intensive Language Institute are also considered “students”, for the purpose of enforcing the student code of conduct.

Enrollment - General Information

Semester Credit Hours
The semester hour is the unit of credit and is defined as the amount of credit given for one recitation hour a week for one semester. Each recitation hour requires two hours of preparation on the part of the average student. Three hours of carefully planned and supervised laboratory work are equivalent to one hour of lecture or recitation.

Normal Load: The normal load for an undergraduate student for a long semester is fifteen (15) hours except during student teaching when a twelve-hour block is a normal load. The normal load for summer school is six (6) semester hours per session.

Full-Time Student: A full-time undergraduate student is one who is registered for at least twelve (12) semester hours during a fall or spring semester; to be full-time in a summer session, a student must be registered for six (6) semester hours per session.

Transfer Students: A transfer student may not register for more than the normal load during the first semester at Texas A&M International University. In any succeeding semester, the student may be permitted to register for the normal load plus one additional course, provided the student’s cumulative grade average is 3.0 or better and with the approval of the appropriate Department Chair and Dean.

Maximum Number of Hours: The maximum load for an undergraduate student is eighteen (18) hours a semester. Maximum number of hours in a summer session is six (6). The maximum number of hours in the A. R. Sanchez, Jr. School of Business in a summer session is seven (7). Exceptions to this policy will require a cumulative grade average is 3.0 or better and with the approval of the appropriate Department Chair and Dean.

Course Information
The term “course” shall be understood to mean a definite unit of work in a subject. The first digit of the course number is the course level. The second digit is the number of semester credit hours (SCH). Example: HIST 3332, Mexico

Advanced Courses: An advanced course is one which is numbered 3000 or 4000 and which requires junior or senior standing and the completion of any prerequisite(s) stated on the course description.

Cross-listed Courses: Students enrolled in a course which is cross-listed with one or more courses may receive credit in only one course.

Repition of a Course: If a student repeats a course that may not be taken for additional credit, it is the policy of the University to count as part of a student’s cumulative grade point average only the last grade received in the course, whether passing or failing, other than a grade of “W” or “WS”. However, for purposes of grade point average calculation, grades stand as recorded unless the same course is repeated at this university.

Grading Policies
Grades are recorded at the end of each semester. However, each college might have different grading policies specific to their programs. Numerical values corresponding to these letters are as follows:

<table>
<thead>
<tr>
<th>Letter</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>90-100, excellent</td>
</tr>
<tr>
<td>B</td>
<td>80-89, good</td>
</tr>
<tr>
<td>C</td>
<td>70-79, fair</td>
</tr>
<tr>
<td>D</td>
<td>60-69, pass (might not be passing for certain disciplines or courses)</td>
</tr>
<tr>
<td>F</td>
<td>Below 60, failure</td>
</tr>
<tr>
<td>FN</td>
<td>Failure for Non-Attendance</td>
</tr>
<tr>
<td>S/CR/P</td>
<td>Satisfactory/credit/pass</td>
</tr>
<tr>
<td>U/NC</td>
<td>Unsatisfactory/Non-credit</td>
</tr>
<tr>
<td>IP</td>
<td>In Progress</td>
</tr>
<tr>
<td>W</td>
<td>Dropped or withdrew</td>
</tr>
<tr>
<td>WS</td>
<td>Withdraw (counts towards 6-Drop Policy)</td>
</tr>
<tr>
<td>I</td>
<td>Incomplete</td>
</tr>
</tbody>
</table>

1 The FN grade indicates that a student has failed a course due to non-attendance. It is calculated as an “F” in the student’s grade point average. For students receiving financial aid, failure for non-attendance may require that student to refund all or part of his or her aid to the institution.

CR/NC, Credit/No Credit: Courses taken in residence on credit/no credit basis are not computed in the grade point average. These grades may be used to satisfy degree requirements only for credit by examination and courses so designated in this catalog.

S/U, Satisfactory/Unsatisfactory: Courses taken in residence on satisfactory/unsatisfactory basis are not computed in the grade point average. This grade can be given for only pre-designated courses and may be used to satisfy degree requirements.

IP, In Progress: Given to a student in a thesis course who is passing, but has not completed all required work.

W/WS, Dropped/Withdrawn: Given when a student has officially dropped or withdrawn from the University by the deadline as stated in the official University calendar.

I, Incomplete: Given to a student who is passing but has not completed a term paper, examination, or other required work. Students electing to complete unfinished work in the course must sign an incomplete contract along with the instructor specifying assignments to be completed and the due date. Failure to sign contract, and have it on file in the Office of the
University Registrar, will result in the "I" being converted to an "F" through an administrative action of the University Registrar. For the student, the grade of "I" may be removed under certain conditions:

- If the student elects to complete the course, he/she may, within the time specified by the instructor, but not exceeding twelve months from the date the "I" was recorded, complete the work in the course and request that the instructor submit a change of grade form to the University Registrar. Extensions of time in cases of merit may be granted, if approved.
- If the student elects not to complete the course within the time specified in the contract, the "I" will be converted to a grade of "F" through an administrative action of the University Registrar.
- A student may not register for a course for which he/she has a current grade of "I". If the student decides to register for the same course, the "I" will be converted to a grade of "F" through an administrative action of the University Registrar.

Change of Grade: After being reported to the Office of the University Registrar, grades other than "I" may not be changed unless a computation error has been made by the instructor.

Grade Points: A student's grade average on university work is expressed in grade points. Each semester hour of "A" counts four points, "B" three points, "C" two points, "D" one point, and "F" zero points. Thus a "C" average, which is the minimum overall average for any bachelor's degree, is expressed as a 2.0 grade point average.

Dean's List: requires a GPA of 3.65 on all work attempted for the semester, with a minimum of fifteen hours completed. Credit/Non-credit and credit by exam coursework are excluded from this calculation.

Honor Roll: requires a GPA of 3.50 on all work attempted for the semester with a minimum of twelve hours completed. Credit/Non-credit and credit by exam coursework are excluded from this calculation.

Classification of Students: Students are classified according to the number of credit hours completed.

- Freshman: 29 or less semester credit hours
- Sophomore: 30-59 semester credit hours
- Junior: 60-89 semester credit hours
- Senior: 90 or more semester credit hours

Academic Responsibilities

Students are expected to familiarize themselves thoroughly with the regulations of the University, to accept responsibilities for course requirements for their degrees, and to make inquiries in case of doubt. It shall not be the University's responsibility should complications arise because of failure to follow regulations and requirements. Regulations will not be waived nor exceptions to requirements made on a plea of ignorance. Students, therefore, should become familiar with all of the information related to their program of study contained in the on-line university catalog.

Personal Announcements sent to students through TAMU's UConnect Portal and TAMU E-mail are the official means of communicating course and university business with students and faculty – not the U.S. Mail and not other e-mail addresses. Students and faculty must check UConnect and their TAMU e-mail accounts regularly, if not daily. Not having seen an important TAMU e-mail or UConnect message from a faculty member, chair, dean or other University administrator is not accepted as an excuse for failure to take important action. Students, faculty, and staff are encouraged to sign-up for Dusty Alert (see www.tamiu.edu (http://www.tamiu.edu)). Dusty Alert is an instant cell phone text-messaging system allowing the university to immediately notify you if there is an on-campus emergency, something of immediate danger to you, or a campus closing.

Each student, by registering, enters some college of the university and, except as to conduct, is thereafter under its jurisdiction with regard to the student's program of study and degree requirements. Students should work directly with the person in their major department who is assigned the responsibility of supervising their programs concerning course requirements and options, deficiencies, degree plan and special regulations. Requests to waive regulations and/or requirements should be directed in writing to the appropriate Chair and, in some cases, to the Dean of the College.

Registration

Degree Plan: The student should select his or her major field of study as early as possible or at the latest, the spring semester of their sophomore year. The planning of a course of study should be exercised in consultation with a faculty advisor. Students will be required to present updated degree audits during faculty advisement. A degree plan may be superseded by a new one according to the provision explained under Graduation Under a Particular Catalog in this section.

Schedule: The student's class schedule should be worked out in conference with a faculty advisor. Students are urged to confer with their advisors well in advance of registration in order to avoid difficulties in scheduling.

Early Registration: A period of early registration is scheduled each semester for the following semester(s). During that time a currently enrolled student is responsible for making an appointment with the assigned faculty advisor to discuss the degree plan, determining the courses to be taken during the next semester, and completing the registration process.

A student is not officially enrolled until all fees have been paid.

New transfer students should contact the Office of the University Registrar for an appointment with an advisement counselor who will assist new students in the early registration process. New freshman students should contact the Freshman Counselor in the Office of Recruitment and School Relations for first time enrollment advisement. During the freshman and sophomore semesters, students should contact the Advising and Mentoring Center for early registration, and degree plan assistance. After 60 hours of course credit, students are advised by faculty within the college of their major.

Registration for a Course: The only way to become a member of a class is to officially register for it or by adding a course after registration is completed. In any case, the instructor receives the students' names on the official class rosters distributed by the Office of the University Registrar and immediately on their online rosters.
Waitlist Policy: A student may request to be waitlisted for a closed course. If space becomes available, waitlisted students will be added in the order the requests were received without prior notification to the student. It is the student’s responsibility to check his/her status in the course. Requesting to be waitlisted makes the student liable for all tuition and fees due if a space becomes available. A drop must be processed by the student if the class is no longer desired. Please note: a student may not be waitlisted for one section of a course and registered in another section of the same course.

Adding a Course: To add a course to a schedule after initial registration, an add form is obtained in the Office of the University Registrar. A student should obtain permission from their assigned faculty advisor to add the course. The faculty advisor must sign the add form. (See Maximum Number of Hours in this section.)

Auditing a Course: Any person may audit a course except for individual instruction courses. Auditors do not have the privilege of submitting papers, taking part in class discussions, or participating in laboratory or field work. Auditors pay tuition and fees according to the published semester credit hour fee schedule. Deadline to request instructor permission to audit a course is the Census Date of the semester.

Registration Policies
Definitions - Dropping and Withdrawal
A student is “dropping” a course or courses if he or she remains enrolled in a minimum of one (1) credit hour at the end of the course change process. A student is considered withdrawn from the University if no semester credit hours remain at the completion of the course change process.

Dropping a Course
A course may be dropped by completing a drop form with the Office of the University Registrar in person, by mail, or fax. Courses cannot be dropped by phone.

All course drops must be completed by the deadline stated in the University academic calendar published online.

If a student chooses not to attend a class or classes, he or she is responsible for officially dropping or withdrawing through the Office of the University Registrar. Students who decide not to attend and do not officially notify the Office of the University Registrar may be responsible for tuition, fees, and any other circumstances resulting from failure to officially drop or withdraw. Students must not assume that they will "automatically" be dropped from their classes if they do not attend or do not pay. (Although the student may not have paid for classes personally, payment may have been posted to his or her account by a financial assistance agency. It is important that the student officially notify the Office of the University Registrar of his or her intention not to attend.) Refer to the Refund of Fees (http://catalog.tamiu.edu/student-services/) section for refund schedules.

Course Drop Limit Provisions
Students who enroll as entering freshmen or first-time in college students in undergraduate courses offered through an affected institution of higher education for the first time during the Fall 2007 semester or any subsequent semester are subject to the course drop limit of six course drops including any course a transfer student has dropped at another affected institution.

Institutions Affected: Texas public community colleges, technical institutes/colleges, health science institutions offering undergraduate course work, and universities must comply with the legislation of TEC 51.907.

Students Affected: Students who enroll as entering freshmen or first-time in college students in undergraduate courses offered through an affected institution of higher education for the first time during the Fall 2007 semester or any subsequent semester are subject to the course drop limit restrictions. Transfer students who first enrolled at a Texas public institution during the Fall 2007 semester or subsequent semester are considered first time in college and are affected by the six course drop limit. Students who elect to use the provisions of Academic Fresh Start who have coursework prior to the Fall 2007 semester are grandfathered and are not subject to TEC 51.907. Students who have completed a baccalaureate degree at any recognized public or private institution are not considered affected students whether or not taking additional undergraduate courses.

Course Drop Definition: A course drop, which will be recorded on the transcript, is defined as an affected credit course not completed by an undergraduate student who:

1. is enrolled in the course at the official date of record, and
2. will receive a non-punitive grade of W.

Other Factors Regarding Course Drop Limit: Transfer students who are affected by this legislation shall be required to submit all transfer institution transcripts for processing of the transfer course drops which apply to the limit prior to being allowed to utilize any drops at Texas A&M International University (TAMIU). If the transfer transcript does not indicate any drops toward the limit, TAMIU will set the drop count for that institution at zero.

If a student was granted a drop at TAMIU and the Office of the University Registrar later learns that the drop counter was set incorrectly, the office will update the student’s record to correct the counter. If the student has exceeded the six course drop limit, the drop will be removed and the faculty member of the associated course will be contacted to issue the appropriate grade.

Withdrawal Definition: A student is considered to have withdrawn from the institution when the student drops all courses during the semester.

Excluded Courses From Limit: Drops from the following types of courses are excluded from the course drop limit.

1. Courses taken by students while enrolled in high school – whether for dual credit, early college credit, or for college credit alone.
2. Courses dropped at private or out-of-state institutions.
3. Remedial or developmental courses, workforce education courses, or other courses that would not generate academic credit that could be applied to a degree.
4. Courses taken as required co-requisites such as a lecture class with a required laboratory are counted as one drop whether or not identified as separate courses or as separate sections of a course.
5. Courses which meet the definition of complete withdrawal.

Student Exceptions: Students may petition to drop more than the 6-course limit, or to drop a course and not have the drop count against the 6-course limit. These petitions will be reviewed by the committee.

The following circumstances will be considered:

- A severe illness or other debilitating condition that affects the student’s ability to satisfactorily complete the course.
- The student’s responsibility to provide the care of a sick, injured, or needy person such that providing the care affects the student’s ability to satisfactorily complete the course.
- The death of a person considered to be a member of the student’s family or someone who is otherwise considered to have a sufficiently close relationship to the student.
- The student’s active duty service as a member of the military or of a person considered to be a member of the student’s family or someone who is otherwise considered to have a sufficiently close relationship to the student.
- A change of the student’s work schedule that is beyond the control of the student and that affects the student’s ability to satisfactorily complete the course.
- Other good causes as determined by the University on an individual basis.

Please note that documentation must be provided in support of any of the circumstances noted above.

The following circumstances will not be considered valid reasons for requesting an exception to the 6-course drop limit:

- An attempt to avoid scholastic probation.
- Failing a course.
- Possibility of receiving a grade that will lower the grade point average.

Please note that this policy may vary from other institutions. For more information on this policy, contact the Office of the University Registrar.

Appeal Process:

1. Students will appeal in writing and provide appropriate documentation to support their appeal.
2. The appeal should state the course(s) that should be considered for not counting and the reason(s) why they should not count.
3. Documentation is required for medical/family emergencies.
4. Dropped courses may only be appealed in the term they were dropped.
5. A student may not drop from a course in which a final grade has been assigned.
6. Committee will approve/disapprove based on information provided.
7. Committee decision(s) are considered final and binding.

**Withdrawal from the University**

Students who find it necessary to withdraw from all courses must notify the Office of Student Success in University Success Center 224. Refer to the Refund of Fees (http://catalog.tamiu.edu/student-services/) section of the catalog for refund schedules.

**Financial Aid Impact of Dropping or Withdrawal**

Students receiving federal financial aid who withdraw from or stop attending all courses may be required to return a portion of financial aid received.

Federal regulations [HEA Section 484B, 485(a)(1)(F), 34 CFR 668.22], referred to as the Return of Title IV Funds policy, require TAMU to calculate a refund and repayment of federal aid received by students who withdraw prior to the 60% point of a term for which he/she has received federal aid. The Title IV (federal) programs under this policy are: Federal Pell Grant, Federal Supplemental Educational Opportunity Grants (FSEOG), Teacher Educational Assistance for College and Higher Education (TEACH) Grant and Federal Direct Loans (Subsidized, Unsubsidized and PLUS). According to the Return of Title IV (R2T4) Funds policy, the student is allowed to retain only the amount of Title IV financial aid that was earned. If a student withdraws or stops participating in classes, a portion of the aid received is considered to be unearned and must be returned to the Title IV programs from which it was received. If the R2T4 calculation results in unearned aid that must be returned, both the school and the student are responsible for returning funds.

Students wishing to completely withdraw from the University must initiate the withdrawal process in the Office of the Vice-President for Student Success (ZSSC 224).

A student who fails all of their classes in a term may be subject to the R2T4 calculation. If a student “earned” at least one of their F’s (i.e. they participated in class until the end of the semester and received an F for poor performance), then no calculation is required. However, if the student failed all classes because they stopped attending at some point in the semester, then a R2T4 calculation is required based on the last documented date of attendance. If a last date of attendance cannot be determined, the 50% point of the term will be used as the withdrawal date, and the unearned aid will be 50%. At the end of the term, the Office of Financial Aid will notify students who have received all F’s of the requirement to perform the R2T4 calculation.

Please refer to Withdrawal FAQs (http://www.tamiu.edu/affairs/financial/Documents/WITHDRAWING%20FAQs1.pdf) for more information.

**Satisfactory Academic Progress Policy (SAPP)**

A student’s Satisfactory Academic Progress may be impacted by the withdrawal or dropping of courses. The SAPP consists of three components that students must be meeting at all times in order to continue qualifying for financial aid. Read the complete SAPP to ensure that you will be able to continue receiving financial aid in the future as well as the appeal process. The SAPP can be found at http://www.tamiu.edu/affairs/financial/SAPP.pdf.
Exit Loan Counseling

Recipients of a federal student loan through Texas A&M International University who are dropping below six hours or withdrawing from the university must receive approval from the Office of Financial Aid. In order to receive approval students must do exit loan counseling on-line at the time of the drop or withdrawal. Exit loan counseling must be done at www.studentloans.gov (http://www.studentloans.gov) and confirmation can be emailed to financialaid@tamiu.edu. Failure to do exit counseling on-line will result in a hold being placed on the student's academic and financial aid records. This will impact the awarding of future financial assistance including loans.

Attendance Policy

It is assumed that a vital part of every student's education is regular attendance of class meetings. Every faculty member keeps a current attendance record on all students. Any absences tend to lower the quality of a student's work in a course, and frequent or persistent absences may preclude a passing grade or cause a student to be dropped from one or more courses by the respective faculty with approval of his or her Chair and Dean. Additional information is available in the current Student Handbook.

A student who abandons courses without officially withdrawing will receive a grade of "F" in each course, regardless of when that student ceases to attend classes. (See regulation entitled Refund of Fees (http://catalog.tamiu.edu/student-services/)).

Continuation of Undergraduate Enrollment

Minimum Grade Point Average for Good Standing

Standards for good standing are based on an institutional 2.0 GPA

The grade point average for a semester is computed by dividing the total grade points earned by the number of semester hours of courses with "A", "B", "C", "D", and "F" grades.

The cumulative, or overall, grade point average is computed by dividing the total grade points earned by the number of hours of "A", "B", "C", "D", and "F". Effective Fall 2007, only hours earned from Texas A&M International University will be included.

Grade Point Average

The grade point average accumulated on the permanent record of a student at Texas A&M International University (TAMIU) will be based on course hours and grade points earned by a student on work taken only at this university. Transfer work will be accepted for fulfilling degree and graduation requirements only.

Academic Probation

Students will be placed on Academic Probation at the conclusion of any long semester (Fall or Spring) when their institutional cumulative grade point average at Texas A&M International University falls below 2.0. Such students are encouraged to participate to the fullest in academic support programs (http://www.tamiu.edu/uc/) and to seek academic advising. Students who have been placed on Academic Probation will be allowed to enroll for one additional one semester in an attempt to achieve the required institutional cumulative grade point average of 2.0 or better.

Academic Suspension

Students who have been placed on Academic Probation, and fail to achieve the minimum institutional cumulative grade point average during the next long semester will be placed on Academic Suspension. Students on Academic Suspension will be required to sit out one long semester and may re-enroll after such absence under Academic Probation. Prior to enrolling, the returning student must meet with an academic advisor to develop an academic improvement plan. The advisor will then meet with the student throughout the semester to monitor the student's progress in meeting established goals and determine appropriate subsequent actions.

The student may appeal the Academic Suspension to the Dean of the College/School, or the Dean's designate, in which he/she is pursuing a degree by submitting a petition for academic reinstatement (http://www.tamiu.edu/catalog/2016-2017/Petition-for-Academic-Reinstatement-010711.pdf) and a student self assessment (http://www.tamiu.edu/affairs/registrar/documents/Student-Self-Assessment-Form-UPDATE.pdf). If the petition is approved, the student will be permitted to enroll under Continued Suspension. Prior to enrolling, the returning student must meet with the dean to develop an academic improvement plan. The dean or designate will meet with the student throughout the semester to monitor the student's progress in meeting established goals and determine appropriate subsequent actions.

Removal of Academic Suspension Status by Wintermester, Maymester or Summer Study

Students placed on Academic Suspension at the end of the fall or spring semesters are eligible to attend the subsequent wintermester, maymester or summer sessions at TAMIU. If the student achieves an institutional cumulative grade point average of 2.0 or better at the conclusion of the wintermester, maymester or summer terms, the Academic Suspension status will be removed.

Other Procedures and Policies

Death of a Student

When the death of a currently enrolled student is reported, the Office of the University Registrar is notified immediately. After confirming the death, the Office of the University Registrar takes the following steps:

1. Notifies the President, the Vice President of Student Success, the appropriate faculty and college dean.
2. Sets grades for all current courses to a nonpunitive mark of "W" and updates directory data to block mailings to the deceased.
3. Notifies the Business Office of the effective date of the assignment of the mark.

Official Summons

Answering an Official Summons: Occasionally, it is essential that a student be summoned to one of the administrative or academic offices on the campus. A student who fails to answer an official summons promptly will be subject to suspension from all classes until the particular matter of business has been concluded and the student has been granted permission to return to classes.
Change of Address
Students who change their home address while attending Texas A&M International University are expected to notify the Office of the University Registrar immediately. Changes of local address must also be made with the Office of the University Registrar. Address updates may be made via the web.

Student Conduct
Upon registration, students automatically become members of the University community and, as such, assume full responsibility for proper conduct until their separation from the University. All University students should be familiar with the ordinary conventions of adult society governing their behavior.

In addition, all University students must be acquainted with and bound by the University rules and regulations covering student conduct as stated in the Student Handbook which is available online at http://www.tamiu.edu/scce/ or at the Office of Student Conduct and Community Engagement.

Texas A&M International University reserves the right, through due process, to place on probation, suspend, or expel any student for improper conduct.

Student Services
The Office of Student Conduct and Community Engagement (SCCE) makes every attempt to meet the needs of the University’s globally diverse students through various resources and programs designed to enhance the experience of all students. For this, students can request assistance to learn about their rights and responsibilities, pregnancy and parenting, crisis intervention support, medical leave request, absence notification to faculty, and other special needs the student may encounter. Staff is dedicated to give students the highest quality customer service, and we’re happy to help you when you need it. Contact SCCE at 956.326.2265 or visit Student Center 226.

Hazing
Hazing is a criminal violation under Texas law. A person may be found guilty of criminal conduct for hazing, encouraging hazing, permitting hazing, or having knowledge of the planning of hazing incidents and failing to report in writing his/her knowledge to the Dean of Student Success.

Both failing to report hazing and hazing that does not result in serious bodily injury are Class B misdemeanors. Hazing that results in serious bodily injury is a Class A misdemeanor. Hazing resulting in a death is a state jail felony. An organization found guilty of hazing may be fined $5,000 to $10,000 or, for incident causing personal injury or property damage, an amount double the loss or expenses incurred because of the hazing incident. It is not a defense to prosecution that the person hazed consented to the hazing activity.

Any person reporting a specific hazing incident to an appropriate institutional official is immune from civil and criminal liability unless the report is in bad faith or malicious.

This state law does not limit or affect an education institution’s right to enforce its own penalties against hazing.

The Education Code defines hazing as “any intentional, knowing, or reckless act occurring on or off the campus of an educational institution by one person or acting with others, directed against a student, that endangers the mental or physical health or safety of a student for the purpose of pledging, being initiated into, affiliating with, holding office in, or maintaining membership in an organization.” The statute contains a list of conduct which constitutes hazing.

General Requirements for Graduation
Core Curriculum: Mission Statement
At Texas A&M International University, the core curriculum introduces students to academic disciplines which form the foundation of human thought: mathematics, science, history, language, literature, the arts, and social and behavioral sciences. Our core is conceived to open new areas of learning for our students and to foster skills necessary for success in higher education.

As they move through this course of study, students are encouraged, as their knowledge increases, to develop the capacity to articulate and to support a thesis, to think critically, to synthesize their observations and to perceive analogies and relationships between seemingly diverse ideas and intellectual pursuits.

Core Curriculum Requirements
Note: For specific core requirements, consult appropriate degree program.

College-level proficiency may be demonstrated by:
of 6 college level semester credit hours (SCH) of a foreign language.
requirements for the BA degree. Proficiency is defined as the equivalent
language. The College of Arts and Sciences has additional language
University must demonstrate college-level proficiency in a foreign
courses.
Students may be required to take additional courses if they fail to select these courses.
Students following the 2013-2014 catalog and thereafter will be required
to complete all core requirements prior to earning 90 semester credit hours applicable to their chosen degree. A student failing to achieve this milestone will be required to complete any remaining core curriculum requirements in the next semester of enrollment.
Transfer of the Core Curriculum
A student who successfully completes a 42-semester-credit-hour core curriculum at a state-assisted institution of higher education in Texas may transfer that block of courses to TAMIU. The student will receive academic credit for each of the courses transferred that are part of the core curriculum at the sending institution. A student transferring to TAMIU who has not completed the core curriculum will be required to complete his or her core curriculum as specified by TAMIU.
College or School Requirements
Students must satisfactorily complete all degree requirements specified by the school or college in which the degree is offered. Individual academic programs may require courses contained as options in the University Core Curriculum to satisfy particular degree requirements. Students may be required to take additional courses if they fail to select these courses.
Foreign Language Requirement
Students seeking an undergraduate degree from Texas A&M International University must demonstrate college-level proficiency in a foreign language. The College of Arts and Sciences has additional language requirements for the BA degree. Proficiency is defined as the equivalent of 6 college level semester credit hours (SCH) of a foreign language. College-level proficiency may be demonstrated by:
1. completion of three years of high school study of a single foreign language with a minimum grade of 80 (3.0) at the end of the third year, or
2. completion of two years of high school study of a single foreign language and completion of a 2000 level university course in the same language with a "C" or better, or
3. earning a minimum grade of "C" in 6 SCH in a foreign language, or
4. completion of an approved international experience (study abroad) of at least one semester/summer session in length in a country where English is not the primary language, or
5. CLEP or AP exam scores that award 6 SCH in a foreign language, or
6. completion of two courses in a language with a "C" or better from the University's International Language Institute, or
7. completion of two American Sign Language courses with a "C" or better.
Foreign language course credits may be used to fulfill the second Romance language requirement of the B.A. in Spanish or certain other lower-level general electives in other degrees. In some degree programs, however, the foreign language may count as additional credits above and beyond those required for the degree.
International students who have completed their academic studies in a language other than English will have met the foreign language requirement.
Other Graduation Requirements
 Majors and Minors: A major when specified as a degree requirement shall consist of a minimum of twenty-four (24) or more semester hours in one subject, six (6) of which must be taken at Texas A&M International University. For English degrees, the required freshman courses may not be counted as part of the major.
A minor or concentration, when included as an option among degree requirements, shall consist of eighteen (18) or more hours, six (6) of which must be taken at Texas A&M International University, in a subject selected by the student. For English degrees, the required freshman courses may not be counted as part of the minor. Instead of a minor, students may complete 18 SCH of electives, 12 SCH of which must be at the 3000-4000 level, from any discipline except the major field or those offered by the College of Nursing and Health Sciences. Students in a Bachelor of Arts degree program or a Bachelor of Science in Criminal Justice program who do not elect to have a minor curriculum may use up to 9 hours of their available electives in additional courses in their major curriculum.
At least fifty percent of the work taken in the major field must be advanced (3000- or 4000-level) coursework, and at least twelve (12) semester hours of advanced work must be taken in the minor field.
 Grade Average: An overall average of "C" (2.0) or above on all work attempted must be maintained for a degree, and, in the case of transfer students, a minimum overall grade average of "C" must also be maintained on the work attempted at this University.
The grade average in the major and minor fields where required must be "C" (2.0) or above on work taken at this University.
Second Bachelor’s Degree: No second bachelor’s degree will be conferred until the candidate has earned at least twenty-four (24) additional hours at Texas A&M International University, satisfies any additional requirements, including specific course requirements of the second degree, and meets the required grade point average.
Residence Requirement: The applicant for a bachelor's degree must have been in residence at Texas A&M International University for at least twenty-five (25) percent of the total semester credit hours required for the
degree. Twenty-four semester hours of the last thirty (30) advanced hours required for the degree must be completed at Texas A&M International University. The A. R. Sanchez, Jr. School of Business requires that a minimum of 50% of both the business SCH and the major/concentration SCH be completed at Texas A&M International University.

**Advanced Work:** A student must complete a minimum of forty-five (45) semester hours of advanced work (course work numbered 3000-4000) to be eligible to receive a bachelor’s degree.

**Writing Intensive Courses:** Effective Fall 2010, to earn a baccalaureate degree from Texas A&M International University, a student must complete, at TAMIU, three courses beyond freshman English that are identified in the course schedule and on the transcript as “writing intensive” courses. Only one of these courses may be at the 1000- or 2000-level, and at least one must be in the major/concentration in which the student is earning a degree.¹

Enrollment in a 1000- or 2000-level WIN course requires completion of ENGL 1301 and ENGL 1302, or department approval. A minimum grade of ‘C’ is required to earn credit for a WIN course. At least 50% of the WIN course grade must be devoted to the evaluation of written work.

1 Chairs, with their dean’s endorsement, may approve transfer courses at the 3000-4000 level as meeting up to two of the three required writing intensive courses if the student can provide documentation deemed adequate to justify such a substitution. The requirement that at least one of the writing intensive courses must be taken at TAMIU in the student’s major may not be met by the substitution of a transfer course.

**Graduation under a Particular Catalog:** A student may have the privilege of being graduated according to the curricular requirements as stated in the catalog of the year in which he/she first registered for work in residence at a college/university, or he/she may be graduated under any later catalog of a year in which he/she was registered for residence work, provided that requirements are met within five years of the date of the catalog chosen, and provided further that the institution offers courses listed as requirements in previous catalogs.

**Application for Candidacy for Bachelor’s Degree:** A student intending to have a baccalaureate degree conferred at Texas A&M International University must file an Application for Candidacy with the Office of the University Registrar and pay the graduation fee to the University Business Office by the Census Date of the semester in which the student wishes to graduate.

**Graduation In-Absentia:** Students intending to graduate in-absentia should notify the Office of the University Registrar upon application for candidacy.

**Graduation with Honors:** Requirements for graduation with honors include the completion of at least 45 semester credit hours with an institutional minimum grade point average of 3.50 at Texas A&M International University.

The criteria for graduation with honors are:

**Cum Laude (with honors):** a grade point average of 3.50 or higher but less than 3.70.

**Magna Cum Laude (with high honors):** a grade point average of 3.70 or higher but less than 3.90.

**Summa Cum Laude (with highest honors):** a grade point average of 3.90 or higher.

**Degree Conferral and Eligibility for Participation in Graduation Ceremonies:** It is the policy of Texas A&M International University that only students who have completed their degree requirements participate in graduation ceremonies. There are two graduation ceremonies each year. May graduates attend the May ceremony. Students who finish requirements in any of the summer terms receive their diplomas in late August and are invited to attend the following December ceremony along with the December graduates.

**Graduate Study for Undergraduate Students**

A senior student in the last semester or summer session of undergraduate work may complete a normal load with graduate work as provided below:

- Must be within 15 semester credit hours of graduation.
- Must have a 3.0 cumulative grade point average in upper-division work.
- Must not enroll for more than 15 semester credit hours total and must not enroll for more than 6 semester credit hours of graduate work.
- Cannot count work in graduate courses towards the bachelor's degree. Graduate courses will be reserved for credit toward the graduate degree when fully accepted into a graduate program. (Not applicable to students pursuing the BA/MA degree.).
- Must have approval from the Department/Division Chair and the Dean of the College in which the work is offered.
