College of Education (COE)
The mission of the College of Education is to prepare highly effective, culturally competent educational and clinical professionals who are equipped to assume leadership roles in a global society.

General Requirements for Undergraduate Degrees
See Academic Regulations - Undergraduate (http://catalog.tamiu.edu/undergraduate-information/academic-regulations/) for specific TAMU regulations.

Graduation Requirements for the College of Education
In order to graduate from the College of Education, all teacher candidates must complete the program with:

- complete all coursework in the degree plan with a grade of "C" or better;
- be in good standing in the College of Education;
- have all program/specialization-major "D's" and "F's" retaken;
- have all incomplete grades converted to a "C" or better; and
- have all holds removed.

Important notice: As the State Board for Educator Certification makes changes in the certification framework, degree plans may be subject to change. Any changes made by the state in interpreting the rulings on educator certification programs in Texas may supersede the requirements of the existing degree plan, certification or deficiency plan, with or without notice in this catalog.

Grading Policies
The College of Education has adopted the following grading scale:

<table>
<thead>
<tr>
<th>Grade</th>
<th>Value</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>90-100</td>
</tr>
<tr>
<td>B</td>
<td>80-89</td>
</tr>
<tr>
<td>C</td>
<td>70-79</td>
</tr>
<tr>
<td>D</td>
<td>60-69</td>
</tr>
<tr>
<td>F</td>
<td>Below 60</td>
</tr>
<tr>
<td>FN</td>
<td>Failure for Non-Attendance</td>
</tr>
<tr>
<td>S/C/P</td>
<td>Satisfactory/credit/pass</td>
</tr>
<tr>
<td>U/NC</td>
<td>Unsatisfactory/Non-credit</td>
</tr>
<tr>
<td>IP</td>
<td>In Progress</td>
</tr>
<tr>
<td>W</td>
<td>Dropped or withdrew</td>
</tr>
<tr>
<td>WS</td>
<td>Withdrew (counts towards 6-Drop Policy)</td>
</tr>
<tr>
<td>I</td>
<td>Incomplete</td>

Educator Preparation Program (EPP)
The College of Education Educator Preparation Programs is accredited by the State Board for Educator Certification. Accreditation status is based on accountability standards as established by the Texas Education Agency.

The most recent Title II accountability data is available at the following website: https://title2.ed.gov/Public/Home.aspx. Additional information is available upon request from the Teacher Certification Office.

Teacher candidates may choose to work toward certification at the following levels:

1. Early Childhood through Grade 6 (EC-6)
2. Grades 7-12, Secondary
3. All-level.

Certification programs are field-based and have co-tangent tasks which coincide with coursework

Each certification program is highly integrated with field-based experiences, requiring teacher candidates, cooperating teachers, public school administrators, and University faculty to work collaboratively at designated campuses. Teacher candidates enrolled in the program are assigned to mentor teachers at specified elementary or secondary public schools. Field based experiences are on a continuum of early field experiences through full time teaching. Throughout the programs, teacher candidates observe, prepare teaching activities and lessons, and as a capstone experience are placed in an EC-12 environment for full time teaching (12 weeks minimum). Teacher candidates typically are in field-based placements, including student teaching, for approximately 600 hours.

Matriculation
Students seeking teacher certification must apply to the College of Education (COE), which is a separate application process from the University’s admission procedures. Acceptance to the University does not ensure acceptance into the College of Education. Students are eligible for admission to COE when the following requirement have been met; however, meeting these requirements does not guarantee acceptance, only consideration.

To be considered for admission to the Educator Preparation Program, the applicant must fulfill the following requirements:

1. Application: Submit an application form available online (http://www.tamiu.edu/coedu/coeadmissions.shtml/). Any COE admissions/program requirements in place at the time of readmission must be met. Candidates who have not been enrolled for one academic year must reapply. Any applicant previously denied admission must reapply.

2. Online Screening Survey: All applicants must complete an online screening survey to evaluate the applicant's knowledge, experience, skills and aptitudes. Applicants may be denied admission to the college from the evaluation of the screening instrument.

3. Courses: Complete the following:
   A) All freshman and sophomore level courses including the University Core Curriculum coursework with a grade "C" or better.
   B) Successfully complete (with a "C" or better) a minimum of 12 SCH in the subject content area of Elementary certification or successfully complete (with a "C" or better) 15 SCH for 7-12 certification areas in math or science.
Additional Requirements After Admission

1. **Criminal Background Check:** Candidates will complete a criminal background check as well as a fingerprint clearance, as determined by the school district for required fieldwork, and will be required to have a criminal history background check prior to employment as an educator.

2. **3000-5000 Level Courses:** To register for any 3000-5000 level College of Education course, candidates must be fully admitted to the COE. A 2.75 Institutional (TAMIU) GPA and a GPA of 2.75 in the specialization/major must be maintained to remain in good standing. EDCI 3224, EDSE 3305, and EDSE 3315 can be taken prior to admission to the College of Education. Courses at the 5000-level may only be taken by seniors in their last semester of undergraduate coursework under the following conditions:
   - Must be within 15 semester credit hours of graduation.
   - Must have a 3.0 cumulative grade point average in upper division coursework.
   - Must not enroll for more than 15 SCHs of graduate work.
   - Graduate course cannot count towards the bachelor's degree.
   - Graduate courses will be reserved for credit toward the graduate degree when fully accepted into a graduate program.
   - Must have approval from the Department/Division Chair and the Dean of the College in which the work is offered.

3. **TExES Certification Exams:** The College of Education has the right not to recommend teacher candidate in the EPP for TExES state certification exam(s).

**Continuation of Undergraduate Enrollment for Students Admitted to the COE**

**Standard of Progress**

Teacher candidates must earn a "C" or better in all education courses. Any teacher candidate earning less than a "C" in a prerequisite course must repeat the failed course before enrolling in subsequent courses.

A teacher candidate may enroll in the same undergraduate course a maximum of three (3) times in order to obtain a "C" or better. After the third unsuccessful attempt to earn a "C" or better in a course, the teacher candidate must change program/major. When teacher candidates change their program/major, all current program/major admission requirements must be met.

To be eligible to enroll in EDCI 4993 Student Teaching, teacher candidates must fulfill the following:

- have a TAMIU GPA of 2.75 and a TAMIU GPA of 2.75 in the specialization/major;
- complete all degree plan courses with a grade of "C" or better;
- pass the content/specialization/major TExES Certification Exams; and
- submit an application for Student Teaching in the office of the Director.

Teacher candidates who are unable to meet admission requirements for EDCI 4693 Student Teaching may pursue another degree program outside the EPP to complete a bachelor's degree.

All teacher candidates must maintain a TAMIU GPA of 2.75 or higher to remain in good standing and to graduate. Any teacher candidate who receives less than a 2.75 GPA is subject to academic probation.
Overloads
Overloads will only be approved for TAMIU GPAs of 3.0 or higher and approval of the department chair and dean.

Academic Probation
Once fully admitted to the College of Education, a 2.75 GPA must be maintained each semester to remain in good standing. A teacher candidate is on academic probation if the GPA falls below. Notification of academic probation is through the Dean’s office. Teacher candidates must enroll in and repeat those courses in which the teacher candidate earned a less than satisfactory grade, before subsequent or new courses are taken.

Academic Suspension
A teacher candidate who is on probation and continues to receive less than a TAMIU GPA of 2.75 in a subsequent semester will be suspended by the College of Education. A teacher candidate who has been suspended for academic reasons may not petition the College of Education for readmission until one long semester has elapsed. Summer sessions are considered short terms and thus must not be supplemented for a long term. A teacher candidate suspended for any reason will be subject to those criteria and guidelines specified in the University Catalog and required by the major, College of Education, and/or Texas Education Agency in effect at the time of readmission. Enrollment waivers for teacher candidates on suspension will not be granted. When a teacher candidate returns from suspension, the teacher candidate must enroll in and repeat those courses in which the teacher candidate earned a less than satisfactory grade, before subsequent or new courses are taken.

Teacher Certification
For state approved programs leading to certification, as the state implements new requirements for certification, they will become compulsory at the time required with or without notice in this catalog. Candidates in these programs/majors have sole responsibility to comply with requirements for certification and to keep current with changes in certification requirements. Candidates enrolled in certification programs will need to obtain a fingerprint clearance and may be subject to a criminal background check.

Before teacher candidates may be recommended for taking the state certification exams, they must take and demonstrate successful diagnostic readiness on a practice exam in the area of certification sought.

Eligibility to Take TExES Exams
Approval to take TExES Exams is based on the procedure and criteria listed below. These procedures and criteria apply to all candidates pursuing degrees with teacher certification, regardless of their catalog year.

Good Standing.
The College of Education has specific requirements that are different and higher than those required by the University. An undergraduate student in good standing with the College of Education must have a TAMIU GPA of 2.75 or higher and a TAMIU GPA of 2.75 or higher in the specialization/major.

Test Preparation Session and Practice Tests.
Candidates must complete six (6) clock hours of Test Preparation and demonstrate diagnostic readiness on appropriate practice activities according to their program timeline before receiving approval to take any representative exam. Representative exams are released Texas Examinations of Educator Standards (TExES) exams administered by the TAMIU testing center for the purpose of determining candidate readiness. Test Preparation Sessions will be scheduled and conducted by University faculty. Three (3) of these hours will be completed prior to applying to Student Teaching. A plan of study may be developed by the candidate in conjunction with the College of Education Office of Student Success to prepare for their representative exam and upon completion of an unsuccessful representative exam.

Candidates pursuing certification must complete the appropriate representative exams to be approved to take the TExES exam. Approval for Representative Exams will be through the College of Education Office of Student Success. Representative exams are administered in the Texas A&M International University Testing Center by appointment only.

Candidates who are successful on the representative exam will be eligible to take the TExES exam. Supplemental exams which are TExES exams in the field in which a student is seeking certification will be taken in the semester prior to the Student Teaching.

Exam Sequence
Teacher Candidates seeking initial teacher certification must take TExES exams in the prescribed sequence noted below:

- The TExES content exam in the specialization/major area will be taken the semester following formal admission to the Educator Preparation Program.
- The Pedagogy and Professional Responsibilities (PPR) representative exam for the PPR will be taken during the Student Teaching semester. Students may register for the representative exam after receiving three (3) hours of representative exam preparation and documenting readiness. Candidates who are successful on the representative exam will be eligible to take the TExES PPR exam.

Before taking a second TExES exam, undergraduate students must pass the TExES exam they have been approved to take before attempting a second exam.

Student Support.
Students who are unsuccessful on a representative exam or TExES exam will be required to seek support designed to address domains/competencies on the TExES exam in which the student was unsuccessful. Intervention will be carried out by faculty at Texas A&M International University and coordinated via the College of Education Office of Student Success. Students must demonstrate diagnostic readiness to be eligible to sit for the TExES exam.

Students are responsible for correctly completing their TExES Registration forms online by the deadlines given in the online TExES Registration Bulletin. Students are required to pay for their exams online with a credit card.

Obtaining Teacher Certification
Teacher Certification is obtained after the candidate has completed the certification program he/she has been enrolled in and has passed the appropriate TExES exams. To obtain Texas Teacher Certification, candidates must complete an on-line Application for Certification and
submit it to the State Board for Educator Certification. Information for the application process is available in the Teacher Certification Office.

The Certification Officer will review the candidate’s application to ensure that all program requirements have been successfully completed. The application will be forwarded by the Certification Officer to the State Board of Educator Certification. **ALL HOLDS MUST BE CLEARED BEFORE THE CERTIFICATION CAN BE FORWARDED TO THE STATE BOARD.** The Teacher Certificate will be issued by the State Board of Educator Certification.

All certificates issued by the State are Five (5) -Year Renewable certificates. The individual holding the certificate must submit documentation to the State every five (5) years showing that he/she has completed the required clock hours of professional development activities relating to his/her area of certification.
