

# LATIN AMERICAN STUDIES CERTIFICATE

Awareness of Latin American is a must for students interested in pursuing entry-level careers in the foreign service, international organizations, or multinational corporations. A Certificate in Latin American Studies allows them to enhance their skills and expertise with a broad knowledge of this primary geographical region. Completion of the requirements is certified by the Office of Global Initiatives/Binational Center (OGI/BINC) and the Office of the Registrar.

The rapid growth in relation between the United States and Latin American has created the need for professionals who are able to bridge both cultures. TAMIU's international faculty and the University's location on the US-Mexico border make the Certificate in Latin American Studies an especially attractive option for students.

This Certificate in Latin American Studies provides undergraduate students with specialized expertise for a variety of careers in business, government, and public service related to Latin America. It allows integration of an assortment of junior and senior level courses and encourages a multidisciplinary approach to meet the needs of the students. The broad offering of courses allows students to select those most appropriate to complement their major course of studies. This Certificate in Latin American Studies also proves useful both in terms of potential career opportunities and in contribution to the issues the region faces.

## Criteria for Admission and Qualification
