

MASTER OF SCIENCE IN INFORMATION SCIENCE FOUNDATION

The following courses make up the MS Foundation courses. **The MS Foundation courses do NOT count toward the thirty-three hours needed to complete the Master of Science degree.**

Code	Title	Semester Credit Hours
Master of Science in Information systems Foundation		
BA 5204	Data Analytics for Management	2
MIS 5201	Information Systems & Programm	2

Waiver Policy for Master of Science Foundation Courses

Students may be waived from the MS Foundation courses by either:

1. Successfully graduating with a business bachelors degree with Management Information Systems focus from a university in which the business program is accredited by the Association for the Advancement of Collegiate Schools of Business International (AACSB International), or
2. Providing evidence of equivalent course work at an accredited institution at either the undergraduate-level or graduate-level.

All course work used for waiver from a particular course must have been taken within the past seven (7) years. The student must have received a grade of "C" or better in each course applied towards a waiver. Applications for course waivers must be completed during the first in-residence semester of work on the MS program.

Students requesting a waiver must get approval from the Chair of the division for which the course is assigned. (Faculty advisors are not authorized to give waivers.) The Department Chair has the responsibility for ensuring that the student has the appropriate prior course work and knowledge as set forth in this policy before approving the waiver.
